How to place your recycling cart for collection

Place your cart - with the back wheels towards the curb or at the edge of the road; close lid.

Point your cart - the cart lid opens up from the centre of the road or lane.

Space your cart - leave one arm's length clearance (one meter or 39 inches) on all sides of each cart. This is to allow the collection truck enough room to grab your cart.

Look up - avoid placing your cart under hydro or telephone wires, basketball hoops, awning and tree limbs.

In Winter - clear snow away from the area around and under where you place your cart at the curb or lane. Do not place carts behind or on top of snowbanks; clear snow and ice off lids so they will open easily when emptied.

Unacceptable Items

These items require alternative handling.

These items are NOT accepted with your recycling.

Napkins, paper towels and food soiled cardboard – put these in your organic bin.

Textiles and other items that can be re-used.

Plastic items not labeled #1-7 or large plastic products.

Diapers and personal hygiene products.

Ceramics, glassware and housewares.

Hazardous waste, sharps and electronics.

Scrap metal, wires and cables, home and construction waste.

Organic, kitchen, yard and animal waste.

Recycle right!

About one third of household waste is made up of packaging and printed paper that is recyclable. By separating recyclables from waste and putting them at the curb for collection, you are contributing to a healthier and cleaner environment and community.

Responsible disposal!

Every year, Emterra Environmental ships 500,000 MT of recyclables to end markets to be re-manufactured into new green products. Be part of the solution.

We believe everything has value. If an item you are looking to dispose of is not listed, find out how to dispose of it properly, visit:
