**This Spring,
Be Fire Smart**

Don't do unneeded burning!
Last year we had 57 grass fires.

*Almost all of these were caused
by careless burning!*

April 2018

2018 Budget Highlights

A Financial Plan Hearing will be held on May 1, 2018 at the RM Council Chamber at 1043 Kittson Road, East Selkirk. The full plan is available at the RM office or on our website at rmofstclements.com/documents. The plan contains:

- \$1.7 million for road reconstruction
- Property tax rate increase of 1.45%
- New economic development funding
- Capital projects for improved water management and drainage, Narol Fire Hall Expansion and the South St. Clements Activity Centre

How your tax dollars work

Curbside Pickup Update

After years of consultations, the plan for curbside waste and recycling pickup has been finalized and forwarded to the Manitoba Municipal Board for final approval.

The plan offers curbside pickup to the southern portion of the municipality at a cost of \$105 per household per year. Resident feedback is that many are happy to be getting this service and many are pleased they had a choice. A Municipal Board decision is expected in time for the service to begin July 1, 2018.

Around St. Clements

- The Gull Lake Boat Launch Inspection Station to help keep zebra mussels out of Gull Lake will begin operating this boating season
- The Grand Marais Boat Launch feasibility study is expected to be completed this June
- Many thanks and congratulations to our Protective Services Manager Ken Sim on his retirement
