

CHRISTMAS IS FOR EVERYONE

This is the time of year when each person in our community gives some thought to those less fortunate, those who have hit upon hard times due to illness, loss of job or inability to work. At this time of year their plight is that much more desperate and we need your help and participation in bringing Christmas to these families.

The goal of the Community Christmas Hamper Program is to see that all families are able to celebrate Christmas with joy and thanksgiving.

Through the cooperation of the community, businesses, schools, organizations, and our individual citizens, the hampers are filled and distributed to families in need.

Please consider helping us to reach our goal of providing Christmas Cheer to those less fortunate in areas north of the city of Winnipeg.

If you are in need of a
Christmas Hamper

Please call to register between
November 1—December 11, 2018

to

Abundant Life Lutheran Church
3486 Raleigh St., E. St. Paul, MB
