The Rural Municipality of St Clements follows the provincial department of Manitoba Transportation and Government Services road restrictions and dates. **These dates can change at any time. Please see or website www.rmofstclements.com for the most up to date information on road restrictions.** The purpose of Spring Road Restrictions is to protect roadways from damage during spring thaw conditions. The Council requests the co-operation of its citizens and the commercial industry. For further information regarding Spring Weight Restrictions on municipal roads, please contact the RM of St. Clements at 204-482-3300 or our website.

Any provincial truck highways, or provincial roadways, are restricted by the provincial department of Manitoba Transportation and Government Services. Please contact them directly with any provincial road inquiries through the Road Information Line. Information will be available through verbal description of road restrictions at 1-204-945-3704, or 1-877-MBRoads (1-877-627-6237). Provincial restrictions can also be obtained online at <http://www.gov.mb.ca/mit/srr/> a copy is also available on the www.rmofstclements.com website.
