

# RURAL MUNICIPALITY OF ST. CLEMENTS

## EMPLOYMENT OPPORTUNITY

April 10, 2017

The Rural Municipality of St. Clements invites applications for a **Permanent Landfill Operator at our Libau Landfill**

The successful candidate must have the following minimum qualifications:

- High School Diploma or GED
- Be able to successfully pass the Basic Landfill Operators Course. The completion date of this will depend on the course and exam schedules, but would be expected to be by the mid 2018.
- Be able to pass the MOLO Certification. Again, depends on availability of course and exam, but would be expected to be by mid 2018.
- Experience operating and maintaining trash compactor
- Experience operating and maintaining D7, or similar dozer
- Experience operating and maintaining large excavator
- Experience operating and maintaining loaders
- Valid Class V Driver's License, clean Driving Abstract

Rate of Pay: As per current Collective Agreement. Current rate is \$25.70 per hour, plus \$0.50 per hour for holding a valid certification from SWANA / MOLO. Plus applicable benefits.

It is expected this person would have to work at the Libau Landfill Tuesday to Saturday, 9 am to 5 pm.

The preferred candidate would also have:

- welding and/or mechanical ability, repairing of equipment above
- operating other equipment such as tractor / lowbed, rubber tire backhoes, motor graders, tandem truck / snow plow

Interested applicants must submit a resume highlighting your experience to the above requirements will be received by the Public Works Manager or via email to [pwmanager@rmofstclements.com](mailto:pwmanager@rmofstclements.com) until 3:30 P.M., April 24, 2017.
