

## Proposed Operational Changes to Transfer Stations

The Rural Municipality (RM) of St. Clements is committed to providing sustainable services to its ratepayers for a safe and healthy community for future generations. The RM has operated four Waste Transfer Stations since 1999, but in order to keep up with industry standards, considerable capital expenditures will be required in the future. Several discussions have occurred in the past, regarding consolidation and reduction of transfer stations within RM boundaries. With the success of the recycling and waste Curbside Collection program, the RM is implementing a multi-step approach towards consolidation of waste disposal sites. This proposed multi-step approach aims to consolidate and reduce expenses for two (2) transfer stations in the southern portion of the RM.

As a part of this approach, the operating hours of the Dunning Road Waste Transfer Station and Clarke Road Waste Transfer Station will be reduced starting from July 1, 2023.

Additionally, the Dunning Waste Transfer Station needs a change to operations due to the legislated 400m setback from neighboring structures required for burning permitted waste. Effective immediately, burnables will no longer be accepted at Dunning Waste Transfer Station. In addition, negotiations are taking place with our neighbouring RM to receive some waste materials from St. Clements' residents. The proposed phases provide time to evaluate and agree upon these negotiations.

### PHASE 1- July 1, 2023 to October 31, 2023

	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Libau Landfill	Closed	Closed	9:00 am – 5:00 pm	9:00 am – 5:00 pm	9:00 am – 5:00 pm	9:00 am – 5:00 pm	9:00 am – 5:00 pm
