The Rural Municipality of St Clements generally follows the provincial department of Manitoba Infrastructure for road restrictions and dates. **These dates can change at any time. Please see or website www.rmofstclements.com for the most up to date information on road restrictions.** The purpose of Spring Road Restrictions is to protect roadways from damage during spring thaw conditions. The Council requests the co-operation of its citizens and the commercial industry. For further information regarding Spring Weight Restrictions on municipal roads, please contact the RM of St. Clements at 204-482-3300 or our website.

Any provincial truck highways, or provincial roadways, are restricted by the provincial department of Manitoba Infrastructure. Please contact them directly with any provincial road inquiries through the Road Information Line. Information will be available through verbal description of road restrictions at 511, or 1-877-627-6237 outside Manitoba. Provincial restrictions can also be obtained online at <http://www.gov.mb.ca/mit/srr/> a copy is also available on the www.rmofstclements.com website.
