

On-Line Bill Payment

The RM of St Clements is pleased to announce that you can now pay your property taxes online with the following financial institutions.

To do this you must access your existing online bill payment system through your financial institution's website and add the R.M. of St. Clements (Taxes) as a Payee, using your "Roll Number" without the decimal as the account number.

It must have 6-9 digits (eg. If your Roll # is 38570 – you would enter 38570000). Do not put a zero (0) on the front and remove the decimal.

This will allow you to pay your R.M. of St. Clements annual taxes as you would any other regular bill. You can even set up automatic monthly payments or make payments at your leisure.

Thanks!
