What is VO 44, 2024 about?

This variance application allows development of a single dwelling unit without a direct legal access to an all weather road, as the Manitoba Hydro transmission line separates the proposed building site from the road.

81112 St. Peters Rd (Roll #406650)

Seating at the public hearing will be limited to accommodate social distancing. We ask that you contact the municipal office at 204-482-3300 or info@rmofstclements.com to register your attendance so that we can insure adequate physical distancing seating. Alternatively, you can contact the RM of St. Clements to receive an invitation to public hearing remotely through Zoom, submit questions or concerns in writing or visit the municipality's website for the link to live streaming with interactive chat.

For more information please contact the Red River Planning District.
